Yass	Miller's Pharmacy	114 Comur Street	Friday 10 September 12.45pm to 1.10pm Monday 13 September 9.30am to 10.00am

Please get tested even if you have had a test in recent days. If your exposure at the **casual contact** venue was in the past four days, you must get another test on day five from the date of exposure. Wear a mask around others and limit your movements until you get another negative result. You should continue to monitor for symptoms and if any symptoms appear, get tested and isolate again.

If additional venues are identified through further contact tracing these will be announced as soon as they are known. Staff working at these venues will be risk assessed by the Public Health Unit and advised of isolation and testing requirements.

Anyone who checked in to a venue of concern during the times listed, using the Service NSW QR app, will be notified by SMS from NSW Health as soon as possible over the next 48 hours.

Everyone in the District should be alert for any symptoms that could signal COVID-19, including headache, nausea, sore throat, runny nose, cough, loss of smell or taste, or fever. If symptoms appear, people must isolate and get tested immediately, and remain isolated until a negative result is received.

There are 500 [COVID-19 testing locations](https://www.snswhd.health.nsw.gov.au/our-services/infectious-disease/covid-19) across NSW. A full list of SNSWLHD's clinic sites and hours is available on our website: <https://www.snswhd.health.nsw.gov.au/our-services/infectious-disease/covid-19>

If you are eligible, please also come forward for vaccination as soon as possible. There are more than 200 mobile and outreach vaccination clinics across the state in addition to GPs and pharmacists. Check your eligibility at <https://covid-vaccine.healthdirect.gov.au/eligibility>
