## New cases and venues of concern in Southern NSW

Southern NSW Local Health District (SNSWLHD) has been notified of **11** new COVID-19 cases in the 24 hours to 8.00pm last night.

This brings the total cases in SNSWLHD to **373** since the start of the current outbreak in June.

Of the **11** new cases:

- **Four** new cases are in the **Queanbeyan Palerang** region. Two cases are linked to known cases. Two are in Karabar, one is in Jerrabomberra and one is in Queanbeyan.
- **Two** new cases are in the **Goulburn Mulwaree** region and are linked to known cases. Both are in Goulburn.
- **Four** new cases are in the **Snowy Monaro** region. All are under investigation. Two are in Cooma and two are in Jindabyne.
- **One** new case is in the **Bega Valley** region and is under investigation. The case is in Bega.

Sadly, NSW Health is today reporting two deaths in Southern NSW.

A man in his 50s from Murrumbateman died at home. He was not vaccinated and was a patient of SNSWLHD's Virtual Care Service.

A man in his 50s from Queanbeyan died at Canberra Hospital. He was not vaccinated and had underlying health conditions.

SNSWLHD extends its sincere condolences to both men's loved ones.

SNSWLHD has been notified of new venues of concern associated with COVID-19 cases.

Anyone who visited one of these venues at the times listed is **a casual contact and must immediately get tested and isolate until a negative result is received**. Staff will be contacted separately by SNSWLHD's Public Health Unit regarding their testing and isolation requirements.

Everyone in the District should be alert for any symptoms that could signal COVID-19, including headache, nausea, sore throat, runny nose, cough, loss of smell or taste, or fever. If symptoms appear, people must isolate and get tested immediately, and remain isolated until a negative result is received.

There are more than 500 [COVID-19 testing locations](#) across NSW. A full list of SNSWLHD's clinic sites and hours is available on our website: <https://www.snswlhd.health.nsw.gov.au/our-services/infectious-disease/covid-19>

Those aged 12 years and above are now eligible for the COVID-19 vaccination. People can make bookings via the Commonwealth Government's [Vaccine Clinic Finder](#).

To help stop the spread of COVID-19:

- If you are unwell, get tested and isolate right away – don't delay.
- Wash your hands regularly. Take hand sanitiser with you when you go out.
- Keep your distance. Leave 1.5 metres between yourself and others.
- Wear a mask at all times when outside your home, except when exercising.
