No new COVID-19 cases in Southern NSW

Southern NSW Local Health District (SNSWLHD) has been notified of no new COVID-19 cases in the 24 hours to 8.00pm last night.

This keeps the total cases in SNSWLHD at **389** since the start of the current outbreak in June.

SNSWLHD has been notified of new venues of concern associated with COVID-19 cases.

Anyone who visited one of these venues at the times listed is a **casual contact and must immediately get tested and isolate until a negative result is received**. Staff will be contacted separately by SNSWLHD's Public Health Unit regarding their testing and isolation requirements.

Suburb	Venue	Address	Time
Goulburn	Coles	Auburn St & Clifford St Goulburn Shopping Centre	Sunday 3 October 4.30pm to 5.30pm
Tathra	Wombat Holes Mini Golf	2 Andy Poole Drive	Friday 1 October 3.15pm to 5.45pm

If additional venues are identified through further contact tracing these will be announced as soon as they are known.

Anyone who checked in to a venue of concern during the times listed, using the Service NSW QR app, will be notified by SMS from NSW Health as soon as possible over the next 48 hours.

Everyone in the District should be alert for any symptoms that could signal COVID-19, including headache, nausea, sore throat, runny nose, cough, loss of smell or taste, or fever. If symptoms appear, people must isolate and get tested immediately, and remain isolated until a negative result is received.
